

Welcome to Shirland Primary School

Your first day

- We are really looking forward to meeting you at Shirland Primary School. It's a bit different this year isn't it? Don't worry, everyone will be feeling the same and we will make sure that we all settle in happily.
- On the first day, we will show you around the school and also where to put your coat and bag, where the toilets are, who you are sitting next to and lots of other things.
- Don't forget that you can always ask us if you're not sure. There are lots of friendly children that will help you in school too.
- Look at these photos of the classrooms and the adults that will be helping you in school.

These are the gates that you walk through in the morning.
